

# HEALTHY NEIGHBORHOODS UPDATE

## THE COMMUNITY BULLETIN BOARD

A Community Bulletin Board has been constructed and placed on the corner trailhead of Mahoning Rd and 14<sup>th</sup> Street NE (directly in front of the JR Coleman Daycare Center). In the true spirit of “community”, this was a collaborative effort in which numerous individuals, non-profits, and businesses came together to bring the concept to life. As a “community” networking tool, this board updates residents and businesses of the NE on upcoming events, meetings and activities. The content management has been volunteered by a local resident residing in Crystal Park.
