## Healthy Neighborhoods Update

# FIRST CBP CO-OP

CBP is pleased to announce the completion of our first CO-OP for driveways, porches and roofs. We recently made this CO-OP program available to residents the beginning of July. The first completed CO-OP is Crystal Park resident, Peggy Williams. Ms. Williams had a new cement driveway installed courtesy of CBP CO-OP partner Project REBUILD. The program allowed Ms. Williams to receive a good discount price by Project REBUILD, who is overseeing the project construction for each CO-OP.

As the first participate in a quickly growing CO-OP program, we would like to thank Ms. Williams for being a TEAM PLAYER investing Time, Effort And Money into her neighborhood.

If you or your neighbor needs a new roof, driveway or porch and would like to set up an appointment, contact Aaron Brown, CBP Healthy Neighborhoods Manager at 330-458-0962 or [abrown@communitybuildingpartnership.org](mailto:abrown@communitybuildingpartnership.org)
